

Nice place to stay in Dubrovnik

No question the place to stay in Dubrovnik! Especially now out of season.

No question the place to stay in Dubrovnik! Especially now out of season. The staff are beyond brilliant with being helpful and nice and trying to get people to mingle! Its out of the town but dont worry about it... fee pickup from bus/ferry, an awesome view, common room and kitchen small but still used by all. Breakfast fantastic! BEds comfy and clean. It feels like you are staying with cousins. With mum and dad constantly asking if we need anything. Good net + wifi in rooms. Highly recommended!
