

Family hostel Dubrovnik

Very nice couple run this busy hostel in Dubrovnik with a friendly family feel! Great breakfasts, place is well kept. Lots of stairs to keep you trim.

Very nice couple run this busy hostel in Dubrovnik with a friendly family feel! Great breakfasts, place is well kept. Lots of stairs to keep you trim. Quiet area, about 15 minutes from the old town by well served bus. Very nice to be picked up from station if arriving by bus, and given quick orientation as to how to get around. Daily tours offered from hostel if you want to see Mostar and other surrounding places. Definitely recommended staying here when in Dubrovnik.
